Telegraph Branch.

Have you any comments?

Will it suffice if we see that all telegrams sent to Bushire are received?

Mr Libson

In order to relieve possible congestion on the cables and in view of the fact that the present-day cyphers are considered to give full

security we have, under instructions, for some
time marked all our cypher messages to
go via Imperial wireless and in class
as code messages to go "fit" (cabb).

If there is a strong probability of messages, however marked,
being transmitted by wireless, as in the
case of the Persian Gulf, it is best that
they should go in cypher.
