#### About this record

This file concerns Yemeni nationality law. It consists of a copy of a translation of an extract from a letter dated 8 August 1935, from the Imam of Yemen [Yaḥyā Muḥammad Ḥamīd al-Dīn] to the Acting Resident at Aden. This

extract, which was then sent by the Acting Resident to His Majesty's Minister at Addis Ababa, and was forwarded by the Minister to the Secretary of State for Foreign Affairs before being sent to the India Office, states that those persons originally belonging to Yemen are considered to have Yemeni nationality, whether they are residing in the kingdom or not.

The file includes a divider which gives a list of correspondence references contained in the file by year. This is placed at the back of the correspondence.
