### About this record

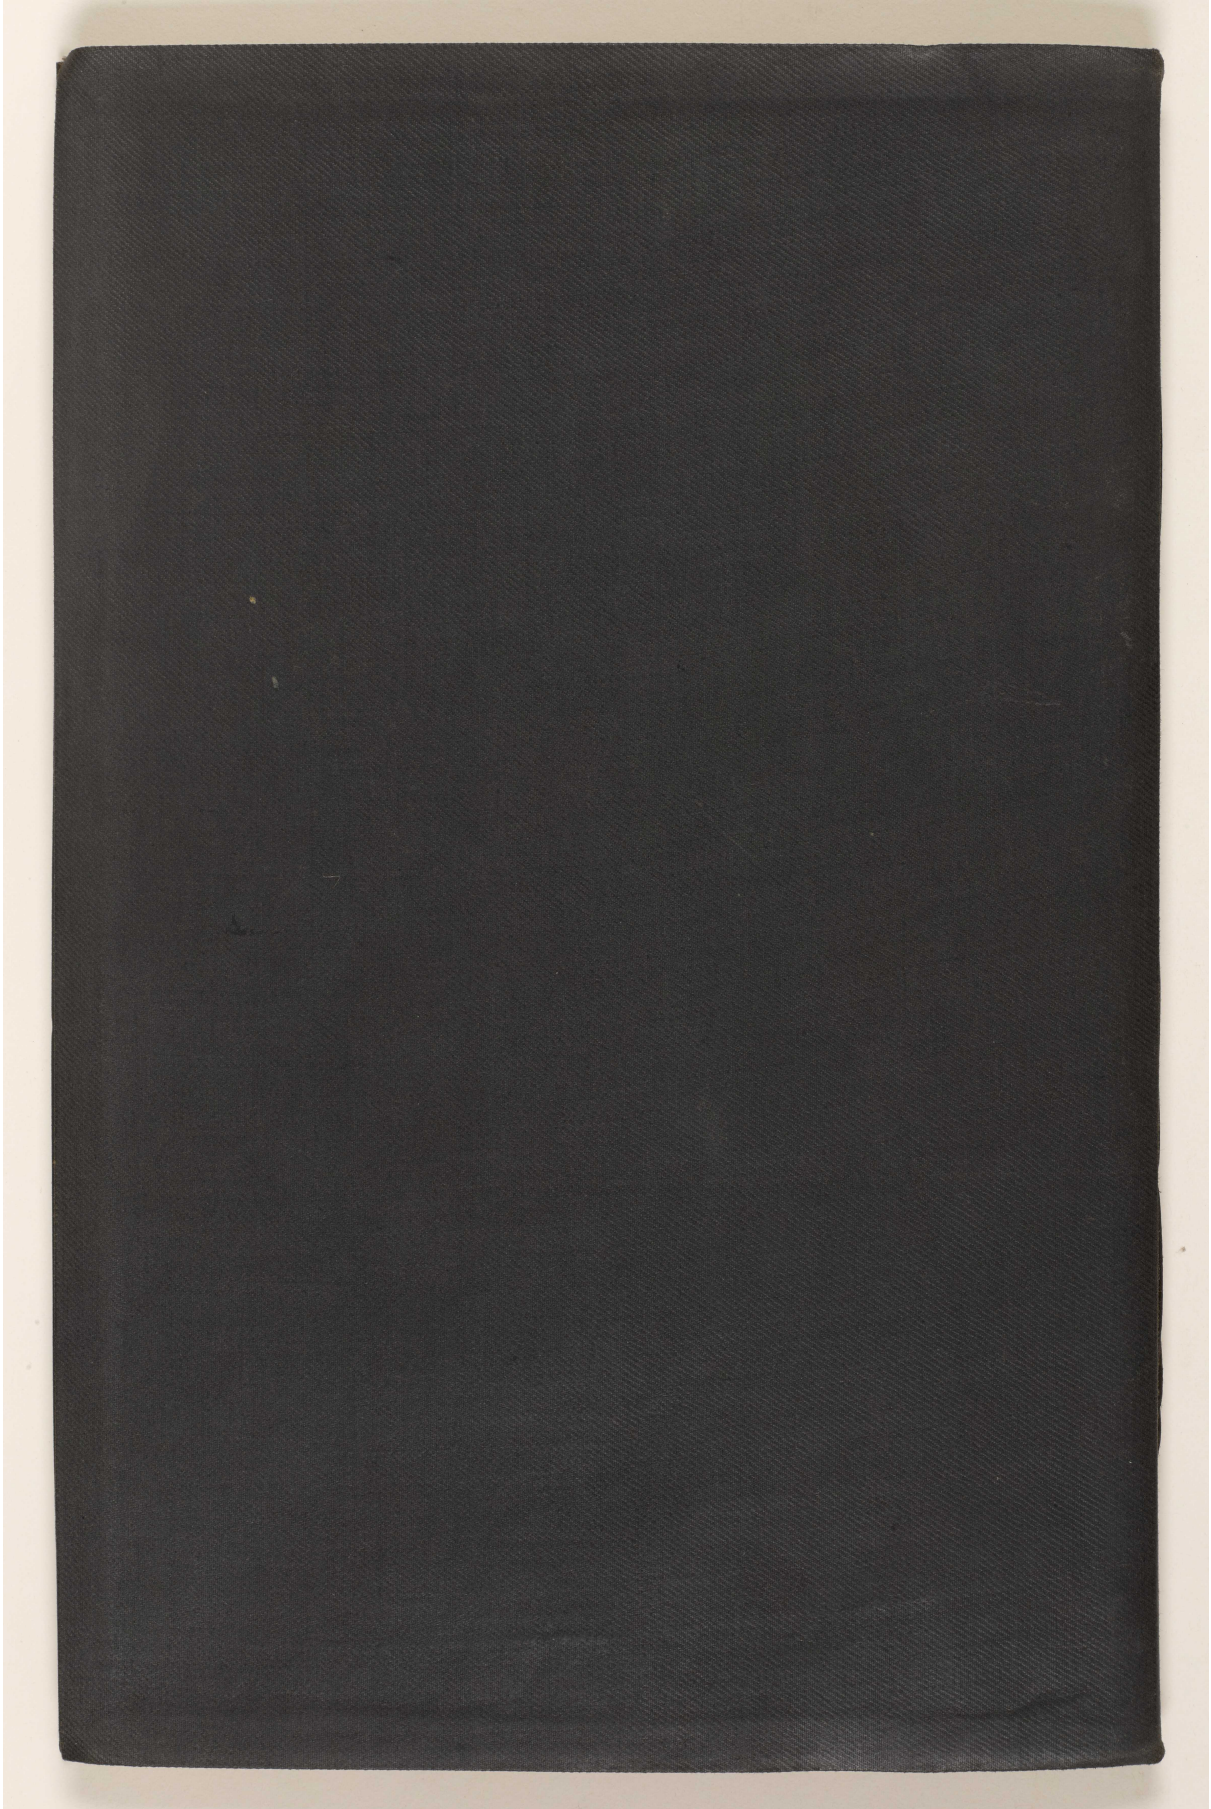

Journal of the East India Company ships the *Hart* and the *Mary*, kept by ship's mate Edward Austin. The journal covers the *Hart*'s voyage from England to Surrat [Surat] and Gumaroone [Bandar-e 'Abbās], and the *Mary*'s voyage from Surat to Bantam and England (all dates are those of arrival): 10 July 1627, Cape [of Good Hope]; 10 September 1627, Mohelia [Moheli, Comoros]; 30 November 1627, Surrat; 6 January 1628, Gumaroone; 25 February 1628, Surat; 27 May 1628, Mauricius [Mauritius]; 6 July 1628, St Augustin Bay, Madagascar; 22 July 1628, Mozambique; 4 August 1628, Johanna [Anjouan, Comoros]; 4 October 1628, Surat. At this point Edward Austin appears to board the *Mary*, whose voyage continued from Surat as follows: 25 December 1628, Bantam; 7 August 1629, Cape Verde; 12 October 1629, Silly [Isles of Scilly]; 28 November 1629, Downes [Downs]; 13 December 1629, Erith.

The journal consists of daily entries in three columns. The first column contains navigational data and the occasional remark on landings. The second column contains the day of the month. The third column contains further navigational data and notes on land bearings, courses, wind, and weather.

(4)  
A Journall kept by me Edward Austin  
mate of the Hart from England to  
Surrat: ..

2. The 2<sup>th</sup> we departed from Gravesend and fell  
Downe to the middell grounde, and Anchored  
in a Batham water, and roade till 6 a Clocke  
the next day.

3. The 3<sup>th</sup> we weighed at 6 a Clocke in the  
morning, and that day we Anchored at the gull-  
fleete at 3 a Clocke in the afternoon, ye wind  
at E.

4. The 4<sup>th</sup> at 5 in the morning, we sett sayle with ye  
wind at N.W., much raine this day the Starr  
boare both her topmasts by the boarde, this night  
we raine to manchor of of ye foreland at 9 of ye  
Clocke at night.

5. The 5<sup>th</sup> we weighed at 6 a Clocke in ye morning  
and settled into ye Downes by 12 a Clocke at  
noone, and there roade till ye 22<sup>th</sup> durt.

22. The 22<sup>th</sup> we sett sayle from the Downes at 2  
a Clocke in ye afternoon, and came to an  
Anchor at 7 a Clocke at night, ye wind at  
N.W. at Dover, and there roade till ye next  
day at 5 a Clocke at night.

23. The 23<sup>th</sup> we sett sayle from Dover at 5 a Clocke  
in the afternoon, ye wind at N.W.

24. The 24<sup>th</sup> we were thwarte of Weather, at 4  
a Clocke in the morning, ye wind N.W. and  
that night we were thwarte of ye Ile of Wight,  
ye wind at N.W.

1627: 25. The 25<sup>th</sup> we were thwarte of ye Starr, at 7 a  
Clocke at night, ye wind at N.W. faire weather.

26. The 26<sup>th</sup> we lost sight of the lizard at 8 a Clocke  
in ye morning, ye lizard bearing N.E. of us, we being  
by Judgement 8 Leagues from it, ye wind at N.E.  
and at 12 a Clocke at noone, we were by  
Judgement 12 Leagues from it.

body of ye Island bore Sbw: ye Etermost end bore  
S<sup>W</sup>: ye wtermost end Su: ye Tabell. and ye Sugar  
loafe, S<sup>W</sup>: ye littell Island in the bay, bore S<sup>W</sup>:  
ye wtermost point ye you can see, bore S<sup>W</sup>: you  
shall haue 02 11 43 variation. — — —

10 The 10 at 7 a Clocke in ye morning we waighed from  
Tomy Island, being bound in for Soldania bay, and  
fetcht in by 10 a Clocke at night, for w<sup>th</sup> we  
giue god praise, and there we founde 5 sayle  
of Dutch Shippe, and in them was Generall  
Boomes, and his wife, being bound for batavia:

we departed  
from ye Cape  
of good Hope:

12 The 12 Boomes departed out of Soldania bay,  
with 3 Shippe, being bound for batavia. —

20 The 20 we sett sayle from Soldania bay, at 6 a  
Clocke in the morning, being bound for Surrat  
and at night we were a leagues of from Peng-  
win Island, ye depth that we had was: 7:12: and  
then to: 7: 0: and soe it deepened againe, to: 12: 14: 15:  
and. 20: fathams. — — —

21 The 21 we were 7 leagues of, ye tabell bore E<sup>W</sup>:  
of vs and Cape bona Esperansa bore S<sup>W</sup>: of vs, this  
night ye Starr, and ye Stoute were becalmed  
in ye bay, vnder Pengwin Island, at 0 a Clocke we  
bore vp for ye Starr, and ye Stoute, ye Sugar loafe  
bore E<sup>W</sup>: of vs, and ye tabell bore, E<sup>W</sup>: of vs,  
of vs, and <sup>Cape</sup> bona Esperansa bore, S<sup>W</sup>: of vs 4 leagues  
of, at 6 a Clocke at night variation 02 11 41 —  
westerly, ye tabell bearing, E<sup>W</sup>: of vs, 5 leagues  
from shore. — — —

long: 22 11 02:

ye shoales  
of S<sup>t</sup> Laurance

2 From ye 1<sup>th</sup> to the 2 latt: by obser: 10 11 01 leagues  
rum 21 1/3 course N.E. 03 11 40 S<sup>th</sup>erly long:  
22 11 02: this day at 10 a clocke in ye morning we  
fell upon ye shoales of S<sup>t</sup> Laurance, ye first raft  
we had butt 13 fath: and then we hauled of  
N.W. and had but 9 fath:, and ye water did  
deepen in ruming 2 leagues, that we could have  
noe grounde, ye wind at S: with fair weather,  
at 4 in ye afternoone we had grounde at 10 fa,  
and then a fast or time, but 9 and 10 fath: then  
we hauled of W.N.W. and ye water deepened, that  
we had noe grounde, at 60 fath:, and all that night  
we steered away N.E.W., and had noe grounde at all,  
at 12 a clocke at night we had ye Glandsto beare,  
west: of us, and I hold that there is a very good  
passage betwene ye shore and it, and besure to keepe  
ye selfe, upon ye edge of ye shoale, and if you haue  
grounde, ye best course is to steere N.E.W., and soe  
you shall be sure to goe & leave, w<sup>th</sup>out any danger  
at all.

1627:  
: 11: 14: 16: 11

wemadde ye  
Iland of  
Mohalia:

10 The 10 we arrived at mohalia, and roade at ye  
N.E. end of it, some 2 howers, and then we went  
in betwene 2 rocks, w<sup>ch</sup> lies a league aunder,  
and there is 16 or 17 fath, as you goe in, and you  
shal be sure to haue noe lesse water, then 15: 16: or 17  
fath, and some times more, you may be bound to goe  
with in a league of ye shore.

11 The 11 we came into ye roade of mohalia, and roade  
before ye Kings towne, and there we roade in 27 fath,  
ye towne bore of W. S. W. S. as we roade against it,  
and ye Iland of Dumoxa bore, N. E. W. as we roade  
in ye roade, and ye N. E. most end of Joama bore E. 1/2  
N. E. therly, and ye S. E. most end bore E. S. E. 1/2 S. E. therly,  
as we roade in ye roade.

12 The 12 we had 16 tumes of water, and 12 head of  
Cattell aboard.

13 The 13 we had 14 tumes of water, 10 head of Cattell,  
and 144 goats, for ye shipp ye

14 The 14 we had 10 tumes of water, and 8 head of  
Cattell aboard.

15 The 15 we gott all thinges aboarde from ye shore,  
and then we had 6 head of Cattell more.

we departed  
from: mohalia

16 The 16 we departed from Mohalia in ye start,  
and there was aboarde Capt: John: Hall Commande  
of ye Mary, ye start, ye Starr, ye Hopewell: & ye  
Refuge: but we had noe newes of ye Strout, this  
day at 12 a Clocke I obserued, and was in 12 1/2  
some 5 leagues from mohalia, ye S. E. most end bore  
E. 1/2 S. E. therly, and Joama bore, at 6 a Clocke at night  
E. S. E. 1/2 S. E. therly, ye N. E. most end bore N. E. E. by N.  
and Dumoxa bore, w. N. W. ye N. E. end bore N. E. E.  
at 6 a Clocke at night, and ye next morning it  
bore w. S. E. from us.

29

latt: 15 11 19  
varia: 14 11 36

The 19 latt: by obser: 15 11 45; this day we fell with  
ye land of melinde, and it bore w. b. 80° of 23 at 6  
a clocke in ye morning, varia in ye morning 14 11 36

latt: 15 11 20  
varia: 14 11 35  
Surrant  
setting: S: w:

The 20: in ye morning we sawe a fayle, and gale her  
thase with our boate, and she putt our boates to  
ye worst, and hurte 6 of our men, this day we wear  
in ye latt: of 15 11 50, a Surrant setting to ye S: w:  
varia: 14 11 35

latt: 16 11 19  
varia: 14 11 40

The 21 latt: by obser: 16 11 19 this day we founde ye  
Surrant to sett a way S: w: varia: at night 14 11 40

latt: 15 11 10  
varia: 14 11 00  
we arived  
in ye roade of  
mosambique.

The 22 latt: by obser: 15 11 10, this day at 2 a clocke  
in ye afternoone we arived at mosambique, ye gland  
of St. Jacobs bore S: b: w of 23, and ye gland of St.  
Georges S: w: b: S; and ye bay botwene ye gland of  
mosambique bore S: w: b: w, and ye East of mosambique  
bore w: 80° w: 23 we roade in ye roade, and ye bay lieth  
w: 80° w: as ye side in ye roade, ye point of ye maine  
bore 80° b: w. and ye Westmost gland bore 80° 80° E; and  
in ye roade is foule grounde, for we had our Cablob  
spoyled varia: in ye roade 14 11 00

23 The 23 our boate went ashore, and brought away  
some 12 or 16 blackes, and a smale quantity of  
oranges becommen.

24 The 24 we sent out the stope well; and ye John: fox to  
looke abroad, to see if they could meete any shipp  
at Sea.

25 The 25 they shased a boate ashore, and they were  
sent out for a spye to meete these floote, for we took  
one of these men that tould us what their pretence  
was.

February:

65 (36)

we waighed  
from Banta  
bounde for  
England

6 The 6 at 4 a clocke in ye afternoone, we waighed out of Bantam roade, ye speedewell with vs, we being bound for England, and ye Soue went out with vs: to ye flemish Capp, and aboute 7 a clocke at night, we came to an anchor in 4 fathoms water some 2 mile short of Pukapan John Island.

7 The 7 at 6 a clocke in ye morning, we waighed anchor, and at 12 a clocke, we were some 5 mile shorte of ye flemish Capp, and we were becalmed, we went nothing a head, but what ye Currant did sett vs, for it sett vs, some 4 mile without ye flemish Capp and then we had a fresh gale of wind at N.E. & E. and it lasted another of an hower and a halfe, and we made uce 1/2 leagues, (by reason ye Merchants were going away) and then it came vp, to ye S. W. & S. with very much raine, and thundering, w<sup>ch</sup> forced vs to come to an anchor, in 33 fathoms, at 4 a clocke in ye after noone.

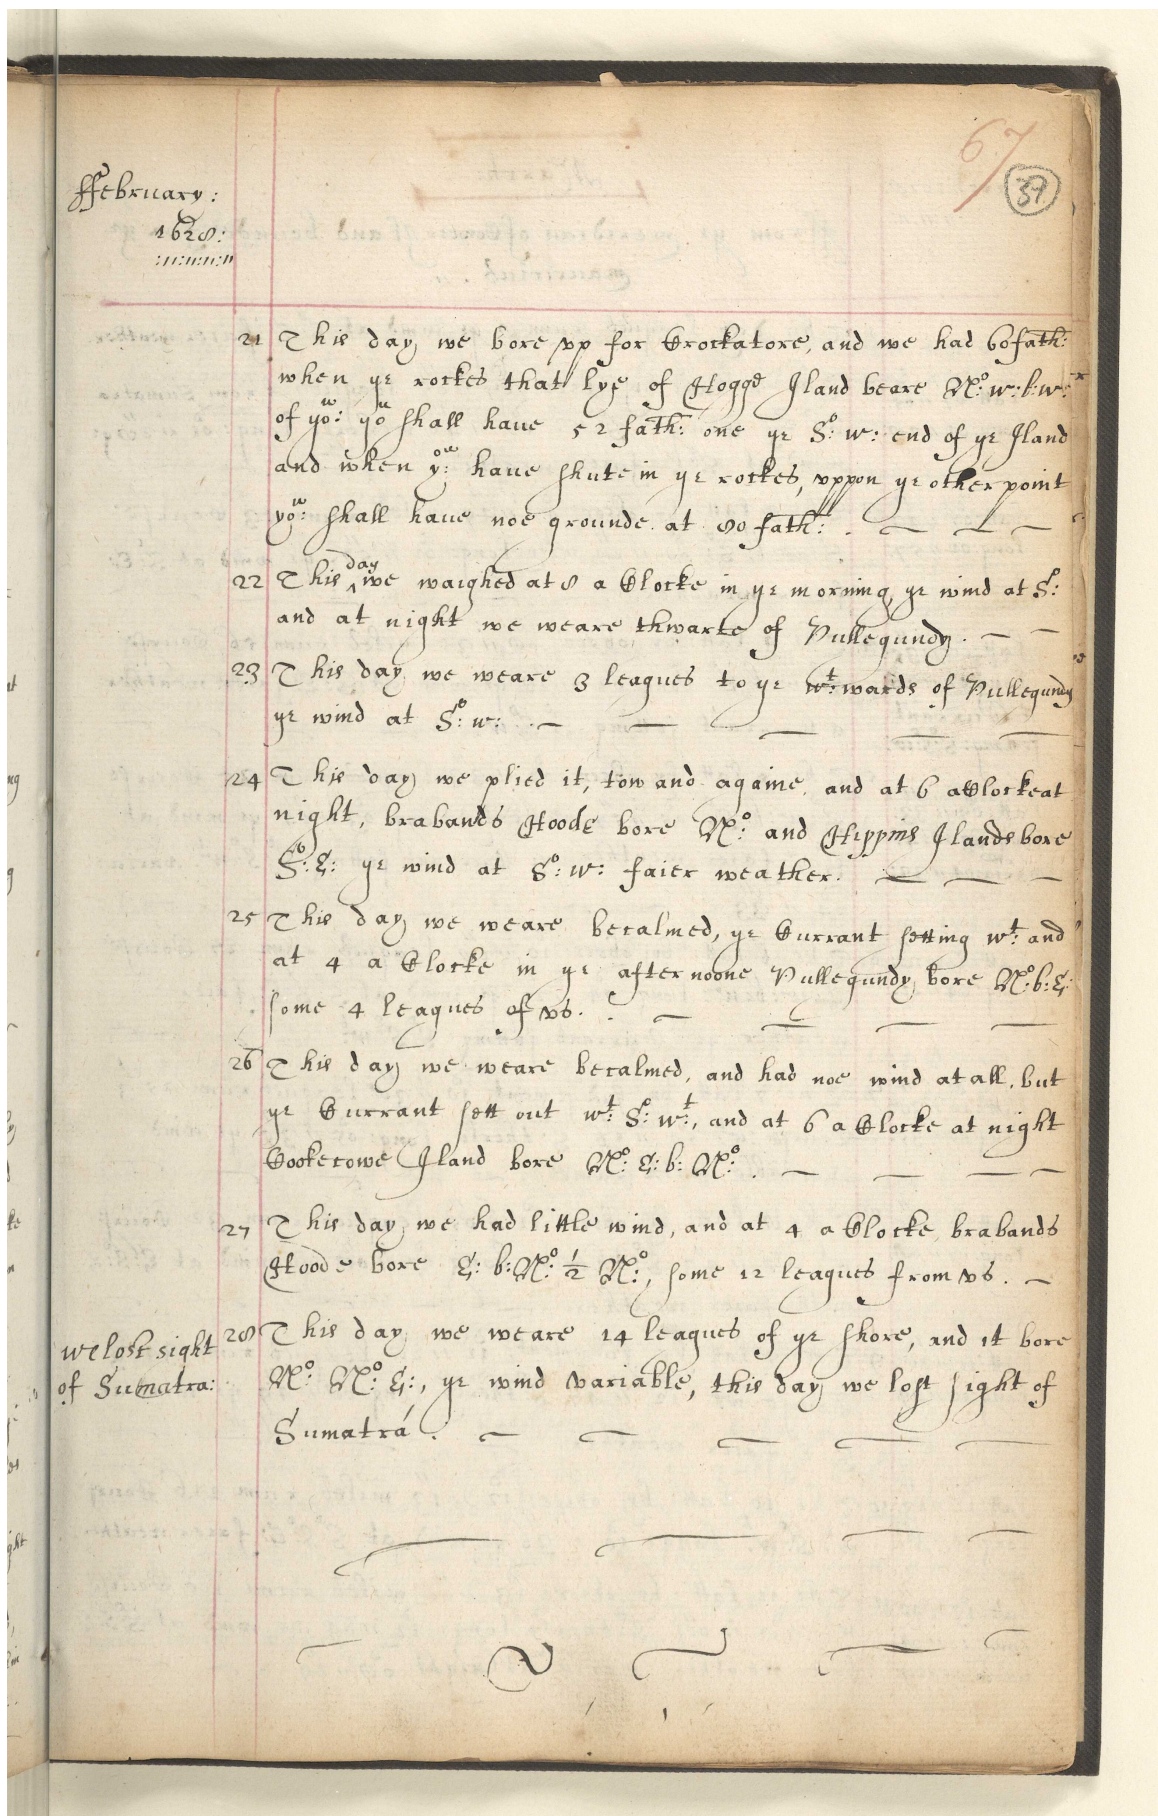

8 The 8 at 4 a clocke in ye morning, ye Soue departed from vs, and at 6 a clocke we waighed anchor, and within an hower we came to an anchor againe, by reason ye Currant did sett vs stronge against vs, in 35 fathoms.

9 The 9 at 7 a clocke in ye morning, we waighed anchor, having ye wind at N.E. & E. and at 9 a clocke at night we came to an anchor in 40 fath, having ye wind at ye S. W. & W. and full of raine, we being within 5 mile of ye maine of Sumatra.

10 The 10 at 6 a clocke in ye morning we waighed anchor, having ye wind at N.E. and aboute one a clocke in ye afternoone, we came to an anchor in 22 fath: we being 2 leagues of ye great bridge, this night we had much wind, and raine, w<sup>ch</sup> forced vs to sett full another anchor, and some ou: yards upon ye decke.

we made  
Cape Verde;  
A Surrant  
Setting: W: w:

The 7 Lat: by Judgement, 14 11 30 miles run 74  
Course E: Long: 01 11 50, ye wind variable, with very  
much raine, this day at 4 a Clock in ye after noone  
we made ye land of Cape Verde, and it bore E: of us,  
0 Leagues of; and we hove ye lead and had no grounde  
at 40 fath; this night at 10 a Clock we shotted  
sayle, and laye a trye, with our maine topsayle, till  
4 a Clock ye next morning, and ye Surrant sett away  
W: w: some 5 Leagues in 6 howers.

The 8 at 6 a Clock in ye morning, we had ye land to  
bore S: E: 6 Leagues of, and at 12 a Clock we had  
it to bore S: S: E: some 4 Leagues of; and we could  
not hove any grounde, at 00 fath; and at 6 a Clock  
at night we hove ye lead and had 35 fath; gray Sande  
being ye first Sounding we had, we hove Cape Verde  
to bore E: b: S: distant 3 miles of, and Cape Man-  
nuell S: E: b: E: distant 5 mile of, and ye outermost  
poynt of ye rocke, yt lyeth of Cape Verde bore E: of us  
distant 4 miles of, and Sounding till we came  
to anchor. 32: 20: 25: 27: 29: 27: 34: 32: 30: 20: 23:  
21: 20: Sande; here in this depth we came to an  
anchor at 10 a Clock at night we being some 2  
mile of Cape Mannuell, and one mile of ye Island  
that lyeth to ye W: wards of Cape manuell.

August: 1629:  
:11:11:

9 This day at 4 a Clocke we waighed anchor, and stood in for yr bay, and as we went within 2 mile of brimstone gland sounding: 10: 17: 16: fath: and here upon yr gland yr Flemings have a fort, and as we came by them, they shot <sup>40</sup>pieces of ordnance at our flagge, to make vs strike to them; but we not knowing their intent, we shot 3 <sup>40</sup>pieces of ordnance at their fort; againe, and then they shot noe more; and aboute 1 a Clocke in yr afternoon we came to an anchor in 13 fath: Close by yr Flemish Shippe, and as we roade here, we had yr S:thermost point of yr land to beare E: S: E: distant 10 miles of; and yr Castle upon brimstone gland bore S: w: some 2 miles of; and yr N:thermost part of Cape Mannuell bore w: S: w: ouer yr lower pointe of brimstone gland; some 3 mile of, and we roade some 3 mile of yr watering place, and yo: may ride within a mile and halfe of yr gland in 10 fath: cleane grounde.

WE anchored in yr roade of Cape Verde:

27 The 27 in yr morning we fetched home an anchor, and made account to set sail, but yr wind came contrary

20 The 20 at 2 a Clocke in yr morning, we set sail out of yr roade of Cape Verde, and at 12 a Clocke at noone we had yr Cape to beare E: of vs some 10 miles of it, and from yr Cape it selfe is a Shoale of rocks and it lieth a mile of, and to yr S:wards of it, is an Island some 6 miles, and from that Island, Cape mannuell is 2 miles, and from Cape mannuell is Brimstone gland 3 mile in yr Bay, and when yo: have brought Brimstone gland, S: b: w: of yo, yo may be bound to anchor in 12:

WE waighed from Cape Verde: 11:

- 2 The 2<sup>th</sup> of Dec. Sumatra came aboard
- 4 The 4<sup>th</sup> ye wind at S<sup>SE</sup>: a fresh gale w<sup>ch</sup> made us to waye, and ride betwixt ye bay of ye red sand and ye bay of ye orange edge
- 5 The 5<sup>th</sup> ye wind blew soe hard yt we could not stur.
- 6 The 6<sup>th</sup> ye wind at SE: w: an easy gale, soe we waighed, and anchored short of Sumburrough.
- 13 The 13 we anchored at Exith for w<sup>ch</sup> ye I praye ye Lord
